Alexandria, VA 22313-1450

Sir:

In connection with the above-referenced application, pursuant to MPEP § 2001.06(b), and further to our Letter of Record filed on 28 October 2005, applicant respectfully submits that the present application may not, in fact, be related to co-pending application entitled "**Mold For Casting And Manufacture Thereof**", application 10/532,692, filed on 26 April 2005, contrary to the statement made in the Letter of Record of 28 October 2005.

The previous Letter of Record was inadvertently sent by applicant's undersigned representative, based on a mistaken belief that the applications may be related due to partially overlapping inventorship of the two applications.

Favorable consideration is respectfully requested.
